Where do lunches and coffee breaks take place?

Lunch and coffee breaks will take place in the **hall on the 2nd floor (A 280)**, same place as last year. You can either follow the instructions below or follow the participants who already know the way.

When you entered the main building, you faced a large staircase with a big pipe organ (indicated in red on the picture below).

Take the staircase (called "1. OG Treppe E0") next to the room E114 and go to the 2nd floor.
Turn left and go through the large glass door. Walk straight until the next glass door.

On top of the stairs, you will see the sculpture of a man (in red on the picture below). Pass it and turn right. Walk in the long corridor until you reach the room E114 (marked in red on the picture below).

You have reached the coffee room and it looks like this:
